I certify that the above information is true and correct, and the tax forms enclosed provide a true and accurate verification of my annual household income. I understand that the deliberate misrepresentation of the information may result in the scholarship being denied or terminated. I understand that the scholarship payments will continue for the complete 2026-2027 school year as long as my child is enrolled at the school and I stay current on the tuition balance. Any unused portion of the scholarship award will be retained by FBSS for other scholarships. Further, I understand that the scholarships are awarded according to the prioritized selection of the qualified applicants, as per the guidelines established by the Commonwealth of PA and by FB Scholarship Services, and that the scholarships given are the sole responsibility of FBSS and the school. All decisions are final.

Information

To qualify for scholarship assistance, total income of the household may not exceed **$122,322 plus $21,531 per dependent*** according to state regulations. This includes income from all dependents living in your household and any child support. Distribution of funds are needs-based according to family size, annual household income, and total tuition. Lower income families (EITC) and families living in low-achieving school attendance boundaries (OSTC) have a higher priority.
Faith Builders confidentially maintains information pertaining to student eligibility, including income information, in compliance with EITC program requirements.
**Note: Your school may have chosen lower income limits.*
